

April 15,the birthday of President KIM IL SUNG,is a great auspicious day that marked a new epoch in modern Korea.

The Korean people and world progressive people who are commemorating the Day of the Sun this year of the 110th Birthday are filled with a great yearning for president Kim IL sung.

His revolutionary life was the life of a legendary great man who made great achievements for the cause of independence for the people.

President Kim IL sung was the greatest man the history had ever known. His life as the one of an outstanding thinker and theoretician who showed the road ahead for the Korean people and world progressive people to follow by organizing the guiding idea of the independent era. The one of a remarkable exploits that he defeated the formidable US and Japanese imperialism in one generation, thus led the anti imperialist struggle to a new period of upsurge.

President KIM IL SUNG was the greatest statesman who turned the country once was a backwardness and poverty into a most powerful socialist state independent, self sufficient and self-reliant in defense. The DPRK brought about epoch making miracles and victories .for this reason the Korean people and world progressive people boundlessly respect and yearning him as a great revolutionary and outstanding leader . The record if his life serves as the strong basis and everlasting guarantee for the eternal victory of the cause of independence.

It is a precious one that the Korean people and world progressive people are unswervingly advance along the road of independence Korea is a country that has emerged victorious under the banner of Juche idea .

Today the Juche idea ushered in the great era of independence on this planet. Looking back upon the President KIM IL SUNG career,any one can confirm that the road of independence indicated by the Juche idea is just one of justice and truth and the one of sure victory ,and have a more determined to hold fast the Juche idea as the eternal banner of the cause of independence.

Great leader Comrade KIM JONG IL who staunchly defended the ideology and cause of President KIM IL SUNG and made a Everlasting treasure for socialist Korea and the independence cause of mankind

Today the idea of President KIM IL SUNG and Comrade KIM JONG IL on the implementation of the cause of global independence is being carried forward by respected supreme leader Comrade KIM JONG UN.
