

Dear comrades

On the occasion of the 75th anniversary of the founding of the Korean People's Army, KFA Turkey extends its warm, comradely greetings to **Comrade Kim Jong Un**, general secretary of the Workers' Party of Korea and president of the State Affairs of the Democratic People's Republic of Korea, the Central Committee of the Workers' Party of Korea, all Workers' Party of Korea members and the heroic Korean people.

The history of the Korean People's Army is the history of leading the construction and successful defense of socialism in Korea, of defending socialism without compromise, of the struggle for the advancement and strengthening of the cause of revolution and socialism throughout the world.

Under the leadership of the Workers' Party of Korea, the Korean People's Army shows that it is possible to successfully build socialism despite all kinds of imperialist siege; that by holding tightly to the principles, one can take firm steps towards the goal of Communism; that turning back is never destiny.

The great achievements of the Korean people under the leadership of the Workers' Party of Korea, led by **Comrade Kim Jong Un**, are proof of this. This is concrete proof of the superiority of socialism over capitalism.

The history of the Korean People's Army is a source of inspiration and strength for the struggles of all true revolutionaries. The progressives of Turkey are also inspired by it in their struggle. KFA Turkey members have sincere respect and love for the Korean people as they celebrate the 75th anniversary of the founding of the Korean People's Army. We firmly believe that the Korean people, under the leadership of the Workers' Party of Korea, led by **Comrade Kim Jong Un**, will successfully advance on the path to socialism.
