To: International E-seminar in Celebration of  
the 75<sup>th</sup> Founding Anniversary of the Korean People's Army

Dear Comrade Alejandro Cao de Benos, President of KFA,  
Dear KFA delegates to various countries in the world and KFA members,  
Dear friends,

Korea-Asia Pacific Exchange (KAPE), upon the news that the international E-Seminar "75<sup>th</sup> Anniversary of the invincible Korean People's Army" is being organized on the occasion of the 75<sup>th</sup> founding anniversary of the Korean People's Army by the Korean Friendship Association from February 6-10, 2023, extends its warm congratulation and sincerely wish the seminar every success.

There are many national armed forces in the world vainglorious of their own mightiness, however, there is no such a true army of people like the Korean People's Army (KPA), made up of best sons and daughters of the working people, and it constitutes a characteristic of KPA that it has not only defended the country but dynamically stepped up the socialist construction as the main force and hardcore unit of the socialist cause.

The KPA, developed into the mighty armed forces that can crush down any aggressor at a stroke under the outstanding leadership of the ever-victorious iron-willed brilliant commanders, will faithfully safeguard the peace and security on the Korean peninsula and those of the world in the future.

We remain confident that the E-seminar will serve as a meaningful opportunity to praise and pay highest tribute to the immortal exploits of the great Comrade **Kim Il Sung** and Comrade **Kim Jong Il** performed in the foundation and leadership of the KPA along with its 75 years of history, and achievements of Comrade **Kim Jong Un**, president of the State Affairs of the DPRK and supreme commander of the DPRK Armed Forces who has accomplished the undying feats for the country and revolution by ushering in the great heyday of strengthening the revolutionary armed force in such a short span of time.

Korea-Asia Pacific Exchange, wishing the upcoming event all the success once again, would like to avail itself to express its deep thanks to the Korean People's Army for starting off the meaningful year with such a significant initiative.

Best regards,

Korea-Asia Pacific Exchange  
February 1<sup>st</sup>, Juche 112 (2023)
