To: E-seminar on the occasion of 75th Founding Anniversary of Korean People's Army

Dear Alejandro Cao de Benos *dongji*, President of KFA,
Dear Official Delegates and members of KFA branch around the world,
Dear friends,

The Korea Europe Cultural Exchange Promotion Agency would like to extend the warmest congratulations to KFA that hold International E-seminar under the title of “75th Anniversary of the invincible Korean People's Army”, on the occasion of its auspicious founding anniversary.

From its foundation to now for long years, the KPA had created the victorious epic by giving disastrous defeat to the USA who had been boasting the “strongest” in the world which was the first time for their history, and also resolutely controlled and smashed unceasing military provocations of US and its vassal forces. Thus, the socialist cause of Korea could be continuously developed and the peace and security of Korean Peninsula also could be staunchly defended.

We hope that the E-seminar would serve as to praise the immortal exports of Great Leader comrade **Kim Il Sung** and comrade **Kim Jong Il**, achieved in foundation and strengthening and developing the invincible KPA, and it will also widely publicize the prestige of DPRK that become rich and powerful under the wise leadership of comrade **Kim Jong Un**, president of State Affairs. We fully believe that E-seminar will be the meaningful event to support and encourage Korean people's justice cause struggling for the comprehensive development of socialism.

Avail this opportunity, the Korea Europe Cultural Exchange Promotion Agency highly appreciate the work of KFA and we sincerely hope that the E-seminar will be successfully held under the great expectation and concern of participants.

Best regards,

Korea Europe Cultural Exchange Promotion Agency
