To: International E-seminar on the Occasion of the 75th Founding Anniversary of
Korean People's Army

Dear Comrade Alejandro Cao De Benos, President of KFA,
Dear Official Delegates and Members of KFA
Dear Friends,

Korean Committee for Solidarity with the World People extends the warmest greetings of congratulations to the international E-seminar under the title of "75th Anniversary of the invincible Korean People's Army" held on the occasion of the founding anniversary of Korean People's Army.

Along the road of its ever-victorious 75-year history, Korean People's Army has reliably safeguarded the territory and sovereignty of the country from aggression, war manoeuvres, isolation and stifling by the U.S. and its vassal forces. Today, Korean People's Army demonstrates its might as an invincible military entity which gives a great encouragement and inspiration to the world progressive people aspiring after peace on the Korean peninsula, in the northeast Asia and of the world.

We are convinced that the E-seminar would serve as a significant event in demonstrating the unity among anti-imperialist, independent and peace-loving forces of the world and further broadening the united front of the anti-imperialist forces.

We wish the success of the E-seminar.

Availing ourselves of this opportunity, we'd like to pay our sincere tribute to the KFA and the friends of the world for your passionate and sincere support and solidarity to the just struggle of the Korean People.

Comradely yours,

Korean Committee for Solidarity with the World People.
